REMARKS

Applicants wish to thank Examiner Borin for his kind consideration to the telephone request to withdraw the revised Restriction Requirement as it was presented in the Office Action mailed July 24, 2002. Applicants renew that request here. However, in the interests of progressing prosecution on the merits, Applicants respond to the Examiner's rejections. Upon indication of allowable subject matter, Applicants respectfully request withdrawal of the Restriction and rejoinder of the claims. The claims under consideration and the claims withdrawn from consideration contain significantly parallel elements. Allowability in one set of claims will demonstrate allowability in the remaining claims. Hence, withdrawal of the restriction requirement and rejoinder of the claims is appropriate.

Status of the Application

Claims 3-11 and 18-28 are pending in the application. Claims 3-11 and 23-28 are withdrawn from consideration as purportedly drawn to a non-elected invention. The Office Action rejects claims 18-22 under 35 U.S.C. § 112, second paragraph, as indefinite. The Office Action rejects claims 18-22 under 35 U.S.C. § 102(b) as anticipated by one (1)
